Subject: Re:Request Extension to Period-of-Performance for Task Order 0088-RICO-06MC, Falcon Refinery

Rena

I have reviewed the request to the period of performance for Task Order 0088-RICO-06MC, Falcon Refinery. I concur with granting the no cost extension to the period of performance. The extension is warranted due the extra time that was required to obtain access to collect offsite samples and the lack of available funding to complete the project.

Thanks
